Committee Reports

Academic Policy Committee (APC): Dr. Amy Pinney Chair

[Motion 1112.APC.002.P: Electronic Recording Policy](#) is brought to the Senate for discussion. A clarification was made by Dr. Sandra Jordan (Provost) that if a statement granting permission for students to record the lecture is included on the course syllabus, then students enrolled in the course are consenting to be recorded in compliance with such a syllabus statement. Since this motion comes from committee it requires no second. After some discussion, the motion carries.

[Information item: 2013-2015 Academic Calendar](#) is brought to the Senate noting that spring break is one week earlier than usual. Past year's efforts to have GC spring break coincide with Baldwin County School's spring break have not

always worked out. This year the spring breaks on the 2013-2015 academic calendars were set at times that seemed to be preferable to the faculty.

Curriculum and Assessment Policy Committee (CAPC): Dr. Ryan Brown Chair

[Motion 1112.CAPC.012.C; New Concentration Philosophy](#) is brought from committee for a B.A. in Philosophy with a Religious Concentration. No one was present from philosophy to speak to the motion. Provost Jordan brought up some concerns that this may not comply with a SACs requirement for the number of hours in the concentration. There was also a question about the Area F requirements by Dr. Beauty Bragg, specifically the 0-9 hours regarding the language proficiency. It was noted that this could be met by the language proficiency exam. University Registrar Kay Anderson noted that the hours under Area F must total to 18 hours not 12 as in the proposal.

Dr. Ken McGill made a motion to commit the motion to CAPC for further review in consultation with the Provost and Registrar. Dr. Craig Turner seconded. The motion to commit carried.

Resources, Planning, and Institutional Policy Committee (RPIPC): Dr. Judith Malachowski Chair indicated that there was no report from RPIPC.

Faculty Affairs Policy Committee (FAPC): Dr. Craig Turner Chair (report attached)

Student Affairs Policy Committee (SAPC): Ms. Dianne Chamblee Chair indicated that there was no report from SAPC.

Student Government Association (SGA): Mr. Maxwell Pichan, SGA Vice President, provided a brief report about the new Georgia College Mobile App.

Executive Committee (ECUS): Dr. Jan Clark Chair asked Dr. Ken McGill to provide the report for the subcommittee on nominations. [Subcommittee on nominations: Ken McGill](#)

Dr. McGill reported that the slate of nominees for the officers and committees of the 2012-2013 University Senate is now included in the online motion database as Motion 1112.CN.004.O and that it is linked to the agendas of both the 20 Apr 2012 and 27 Apr 2012 meetings of the University Senate. The slate may be updated from its present form prior to its presentation on 27 Apr 2012 should the Subcommittee on Nominations become aware or be notified of needed revisions.

Dr. Jan Clark asked Dr. Catherine Whelan (Presiding Officer Elect) to provide a report from the Governance Retreat Planning Committee.

Dr. Whelan reported that the Governance Retreat is for outgoing, continuing and incoming senators so all members of the 2011-2012 and 2012-2013 University

Senates will be invited to attend. The plan at this point is for an overnight retreat paid for by Interim President Stas Preczewski. The tentative plans are looking like we will be going to Callaway Gardens. The Senators will leave after the Annual Assessment Day (Aug 7, 2012) and travel by bus and then return on the next afternoon (Aug 8, 2012). The Governance Retreat Planning Committee will be sending out a poll (likely from Monica Starley) asking for an RSVP of your intent to attend. Responding to this poll is extremely important given the way this event is funded.

Provost's Report: Dr. Sandra Jordan Provost

Dr. Sandra Jordan met with Dr. Mike Digby. She reported that he is making progress on the on-line Georgia College Policy, Procedures and Practices Manual. The policies in the manual are being reformatted to be consistent with the template that is presently in use by the university senate for policy motion submission. There will also be a new menu and table of contents implemented to facilitate searching the manual as a stop gap with another change to these facets before the manual update by Dr. Digby is completed.

President's Report: Dr. Stas Preczewski Interim President

Dr. Preczewski brings good news on the upcoming year's budget. GC is better off next year than this year. A number of things accomplished this year, and GC is looking at being able to continue that into the upcoming year.

The state has restored the 2% budget cut. There was only a 2.3% increase in tuition for students. The state is talking about restoring the merit raises for the following year.
