**Subject:** Senator Election Procedures

Joe,

Here is our usual process for electing senators that John Swinton requested:

This is the procedure of the election of the Library's new senator. *The Chair of the Library's Nominating Committee will ask all eligible Library's faculty members if they are willing to serve on the University Senate. The names of eligible Library faculty who wish to serve will be placed on a secret ballot distributed to all Library faculty members by January12, 2015. The following Thursday the votes will be counted by the Chair of the Nominating Committee, and the candidate receiving the greatest number of votes will be the new Senator for the Library.*

Best,
Edward
