- Retention policies that support best practices for students, staff, and faculty.
- Accessibility as a key component of diversity and inclusion on campus.

Ad hoc committees and other groups:

None

Committee Reflections:

The members of this committee have been exceptionally hard-working and engaged, committed to the work of supporting policies that bring greater inclusivity to Georgia College.

Committee Recommendations:

Next year, the committee will have opportunities to explore some of the following topics:

- Policies regarding recruitment and hiring of faculty and staff related to diversity
- Graduate student inclusion through campus life. There is a large disconnect for graduate students to the institution – specifically in the area of campus life. What policies might provide clearer communication for graduate students, on campus and online?
- Retention numbers – Chris Ferland
- Accessibility issues related to infrastructure – e.g., black painted railings that are too hot to hold in summer.
- Syllabus statements and course community– Jim Berger has some suggestions
- Pregnant and Parenting Students – new information coming down from Title IX

Recommend items for consideration at the governance retreat:

See above: The committee will need to elect officers for the 2023-2024 year. We want to ensure the opportunity of all committee members to participate in the process.

Appendix: Committee Operating Procedures

2023-2024 DEIPC OPERATING PROCEDURES
