Subject: RE: University Senate Election Results

Hi Nicole,

Thank you for this reminder.

This email is to notify you that Donna Bennett will serve as the library's newly elected faculty senator. Our academic unit election procedures were followed to the degree that we were able to do so. Upon notification from you that you had not received the procedures, I contacted the chair of our nominating committee, who called for nominations. Donna Bennett was the only volunteer and agreed to serve as our senator. If you need additional information, please let me know.

Thanks and have a good evening,

Shaundra
