Dear Senators,

Our institution has a second spot open for a representative on the USG Faculty Council. I invite you to self-nominate for a two-year term of service (2017-2019) in which you will attend USGFC meetings, typically one in the fall and one in the spring of each academic year. Please notify me of your self-nomination by **Monday, September 18**. An election will follow if needed.

Kind regards,

Alex E. Blazer
