The COE is apportioned four Senators. We currently have two from the Teacher Education Department (Dr. Lyndall Muschell and Dr. Rob Sumowski) and two from the Professional Learning and Innovation Department (Dr. Natalie Toomey and Dr. Chris Greer). Dr. Lyndall Muschell (Teacher Education) and Dr. Chris Greer (Professional Learning and Innovation) will cycle off April 2024.

At the January 12, 2024, at the COE Meeting, we will elect two senators from the corps of instruction, who have at least two years of university service, to a three-year term. I am also copying our Purpose and Direction Committee that arranges the COE meetings, so they know to hold the election, verify that nominees are eligible, and will report the results to you by the February 1, 2020 deadline.
