

Governance Retreat 2011  
Standing Committee Synthesis Session  
FAPC Report  
Given by Craig Turner on behalf of FAPC

Our conversation distilled to a list of possible agenda items for 2011-2012 FAPC including

- Mission/Vision of CETL as the opportunity to rethink this organization presents itself
- Faculty Voice: Presidential Search Committee
- Start/End Dates on faculty contracts (historical data gathering)
- Standing Committee Officer Mentoring (guidance on operating procedure) – to ECUS?
- Pre-Tenure Review (review language in university policy manual)
- Post-Tenure Review (2010-2011 FAPC work group continuing its review)
- Student Opinion Survey Instrument Review – Coordinate with University Chairs Council
- Faculty Pay (12 month pay for academic year faculty; alternatives to 10 monthly checks)
- Years of Service Recognition Lag (10 year recognition awarded during 11<sup>th</sup> year)
- IFR from academic year to calendar year
- Syllabus (required statements) – could one simply link to the central website rather than having to explicitly include the standardized statements on individual syllabi?
