SCON Report – University Senate “Mock” Meeting
Tuesday, August 13, 2019
9:00-12:30 “The Club At Lake Sinclair”, Milledgeville, Ga

Sandy Gangstead is no longer serving as a volunteer on FAPC. No replacement is needed at this time because the 14 members still serving on FAPC are within the 13-15 allowed by our bylaws.

Costas Spirou has replaced Kelli Brown on the Executive Committee as the university’s Chief Academic Officer.

At this time, we are still missing three staff senators for RPIPC, a staff senator for SPAC, and a staff council designee for SAPC. Hopefully staff council will get those names to us soon.
