I am sorry that you could not attend the 2022 University Senate Governance Retreat yesterday. We ran out of time for New Senator Recognition and Concurrent Sessions. New senators will be recognized (and pinned) at the first University Senate meeting on Friday, September 16. I will be sending a doodle poll regarding the Orientation to University Senate and Standing Committee Officer Training on September 9. I am asking everyone, but especially returning senators, appointees, and volunteers to offer their input on a google doc for GC Senate Goals Moving Forward: <https://bit.ly/GCSGMF>. I look forward to accomplishing much in shared governance at GC in the year to come. Thank you for your service.
